

Festool Essentials

The Festool Essentials class is an entry-level class for students interested in learning about the Festool System. We welcome power tool users that are new to the system or existing users that wish to learn more about their Festool tools. The goal is to provide students with the fundamentals of the essential tools in the Festool System.

This course is split up into two sessions and will cover the tools listed below. Students are encouraged to sign up for both days (\$40 for both days) or may sign up for independent sessions if they wish (\$25 for one session).

Friday, August 18 1pm-5pm \$25

Group 1: Dust extractors, Workplace Organization (Sortainers & Systainers), MFT Multifunction Tables
